No limits blues

(Blues senza fine)

Sinkin' down
Into the blues
Take me up
Because I'm diein'
Take me up

Only when
I play the blues
All my pain
Fly away

Blues my home

Years of rain
Is where I come from
Livin' hard alone
Everyday tears down
The blues is my home

Best friend of mine
Is loneliness yeah!
Every day a cry
Only hard time
The blues is my home

(Anni di lacrime...)

Forever blues

I've no love
Into my life
Only clouds 'nd rain
Forever I sing the blues

I want to be loved
By you my baby
Don't make me cry
I'm so alone
Take my love

My love you're my love
Don't make me cry anymore

QUE VÊTE

Rainha Maria (Onassis story)
(A «Regina» María Callas – soprano)

Emoção
Vibra no coração pela paixão
Chama o amor
Mas o espera ainda!

Diz-me ao menos onde estás
Ou a quem queres
Depressa ou morrerei!

E seu um otro [amor] tens no coração
Para mim não há calor
Saudade è do amor!

Emoção
Vibra ne alma pela paixão
Procura o amor
Mas não o encontra ainda!

Tu me queres fazer sofrer
Em vez de enxugar
O choro do meu coração!

Procura sò de pensa
Em vez de mentir
Saudade è do amor!

Part of me

When I'm alone
An' you're far from me
Miss everything
'nd feelin' void
Because you're
All part of me
Sad an' cry
Into the dark
You all part Of me

Spring has come
Love is born
Joy in my heart
Again with you
Tell me it's real
Or is only a dream?

Spring has come
Love is borne
High in the sky
Forever togheter
Heart 'nd soul
You all part of me

My only dear
You are not here
I'm waitin' for you
Hope not in vain
Because you're
All part of me
Light my life
Without sun
You all part of me

You are alone

Oh my sweet love
I miss you here
You are alone
'nd think of me

Cry
'nd you'll know the love
But I'll clean your tears
'nd the sun will shine
You are alone
'and think of me

Take care of you
The rainbow see
Now sky is blue...

I've told to me
Love is free
If you want can see
'nd understand the feel
Say thinkin' what
I'm near to you
Showin' all my love...

Call
And I'll run to you
We are together well
'nd smile will rise
You are alone
'nd think of me

Fly
Open your wings high
'nd you'll reach the truth
Than the light on you
You are alone
'nd think of me

I've told to me
Love is free
If you want can see
'nd understand the feel
Say thinkin' what
I'm near to you
Showin' all my love...

Dream
Thath I'm with you
Happiness again
Never more sad
You are alone
'nd think of me.

I am alone
'nd think of you

All love (Solo amore)

My dear
Come near
Need you
Wait be

I think
You lie
Cry hidden
Hope be

All love
All love
All love
All love

Now you
Are here
Sayin' peace
And no more tears

I want
Believe you
And wish to give
The feel I need

All love
All love
All love
All love
